List your food favorites
(Think specific meals, restaurants, types-of-food, etc.)

Depends on what meal. For breakfast I enjoy cereal, granola bars, yogurt, fruit, and so on. For other meals I prefer chicken or beef,

no veggies, and mashed potatoes are the best. I'm not the biggest fan of seafood or Asian but I will try. Trying new foods is scary to me.

My favorite restaurant is any place that has a good milkshake!
